Plan and practice a home fire drill.

1. Draw your escape plan. Know where to meet outside.
2. Go over your plan together.
3. Keep the way out clear.
4. Put your plan where everyone can see it.
5. Push the smoke alarm button to start the fire drill.
7. Practice getting out when people are asleep too.
8. Go to your meeting place.
9. In a real fire, call 9-1-1 from outside.
